REMAX Memorial, Mike (Murat) Yaman, MBA, QSC - Licensed real estate agent serving in the heart of Houton to both locals, Turkish Americans and also newcomers to greater Houston area. Clients receive a "top of the line" service in selling their homes, purchasing a home or looking for a place to lease. I love referrals. If you know anyone who could benefit from my services, I would be happy to contact them. For those who plans to come to Houston, my services especially helpful, since I would do all the prep study ahead of time.
